2024-01-10 NOTICE OF MASS ELECTRIC METER CHANGEOUT

The City of Rensselaer Meter Department, in conjunction with Anixter Wesco, will be performing a mass electric meter changeout, beginning on Monday, January 22, 2024. This mass changeout will take approximately four (4) to six (6) weeks to complete, working solely Monday through Friday.

Contact with residents will be made by knocking on the door. If no one is home, the Meter Department *will* proceed with the meter change.

If the meter is located within a fence, that has a locked gate, the Meter Department will move on to the next property.

Residents can expect the Meter Department to take pictures and inspect each meter installed.

The estimated time on-site is expected to be five (5) to ten (10) minutes.

****If you have any questions regarding the mass electric meter changeout, please contact the City of Rensselaer Electric Department at 219-866-8475****
